

Office & Commercial Moving Solutions

Challenges Faced:

Relocating your office, plant, or retail facility requires the least possible interruption to your business. Many business moves need to take place after close of business and sometimes on weekends.

Solutions Offered:

We begin with detailed planning; we learn your goals and objectives to evaluate and understand your needs. To maximize efficiency and decrease your company's downtime, we prepare a moving schedule and instruction sheets for your employees to ensure your move occurs in an organized and timely manner.

Key Services:

- ◆ Furniture and Technology Relocation
- ◆ Delivery of Totes and Cartons Prior to the Move
- ◆ Standard and Customizable Equipment (i.e., safe jacks, computer bins, static bags)
- ◆ Flexible Hours to Work within Tight Time Constraints

"Thank you for doing a great job on this project, it was fast tracked from every angle and we appreciate your professionalism and willingness to work with us to deliver the project, it was done on time!"
